NAVIGATING APHASIA RESOURCES

Insurance has stopped covering therapy. Now what?

Below are listed a variety of resources to continue your own home practice as no or low cost options.

<p>National Aphasia Association</p>  <p>www.aphasia.org/online-events</p>	<p>Aphasia Recovery Connection</p>  <p>www.aphasiarecoveryconnection.org/virtual-connections</p>
<p>Local Universities</p> <p>Check to see if you have a local University in the area. Often their clinics offer therapy at no or low costs.</p>	<p>Working Outside the Workbook by Brooke Lang and Emily DeFrancesco: <u>Available for purchase on Amazon</u></p>  <p>This play on a “Workbook” has a variety of activities and provides step by step instructions, support for cueing, provides ways to make tasks easier/harder, allows for multi-modality practice, and more.</p>

Apps and Technology

 <p>Tactus Therapy www.tactustherapy.com/</p>	 <p>Constant Therapy www.constanttherapyhealth.com/</p>
 <p>Parrot Software www.parrotsoftware.com/</p>	 <p>Newsela www.newsela.com/</p>
<p>TalkPath News</p>  <p>www.talkpathnews.aphasia.com/</p>
